

Weekly Message from the Principal

Happy Friday!

We have had a fantastic week full of learning and fun!

I wanted to touch on the importance of attendance even before and after a break. I encourage you do everything possible to have your students attend school as they normally would. It is still important for students to be at school every day leading up to the holiday, and valuable instruction will start immediately when they return on Thursday January 4th.

During the break, I hope you can rest, enjoy time with family, and take time to celebrate the season.

Don't forget to help your students keep up skills by continuing to read and practice math facts during the break. Go to this [link](#) to find some activities for learning.

Have a wonderful weekend!

Ms. Waltmon

Elementary Night at Rouse HS Girl's Basketball

TONIGHT is Rouse HS Girl's Basketball Elementary Night. The game against Cedar Creek begins at 7:00 p.m. Any student who wears a Rouse t-shirt or their elementary school t-shirt will get into the game free! During the half-time of the varsity game, there will be fun games and prizes.
