

[Weekly Message from the Principal](#)

Happy Friday! Hats off to our amazing Parkside Mustangs!

Our students have shown an amazing amount of perseverance. Demonstrating Perseverance happens to be one of our Scholarly Traits. Click [here](#) to learn more about this trait. I encourage you to talk with your student about what demonstrate perseverance means to them and share some examples!

As we get closer to the end of the year, students can continue to show perseverance with consistent attendance and hard work. With perseverance, we will have a strong finish for the year.

Have a wonderful weekend!

Ms. Waltmon
